

The Bank Your Brother-in-Law Wished He had Used!

Second in a Series

You know how it is. Your obnoxious brother-in-law, ... the one who knows everything and has no problem telling you where you went wrong. He loves to tell you what he did right and doesn't hesitate to tell you where you went wrong with your decisions. He tells you he got a great buy on his car, how he found the perfect golf clubs at a low price, why his home is the best in the neighborhood and even he brags about his home mortgage.

So what do you think he is going to say when he finds out you used Pulaski Bank Home Lending. You get to tell him that Pulaski Bank Home Lending offers all of the following:

- Pulaski Bank has competitive rates
- Pulaski Bank funds their own loans ... no more waiting for funds to be wired from out of town
- Pulaski Bank accepts personal checks at closing to assist your relocation buyers
- Pulaski Bank originates the standard Conventional Loans, Government Loans [i.e., FHA, 203K, USDA Rural and VA, as well as our Conventional Purchase / Rehab loan for primary residences.
- Pulaski Bank processes and underwrites their loans locally. The loan approval process is in hours instead of weeks
- Pulaski Bank can even create a Portfolio loan for those "out of the box" scenarios.

With all of these great features, you can hardly wait for the next family reunion to tell your brother-in-law that you used Pulaski Bank Home Lending! It doesn't get much better than that for finding the near perfect Lender!

Telling him will make you smile!
