- Your Realtor has worked with me in the past and believes in my Integrity and Experience.
- There is no obligation to finish your loan with us, however, most major Metropolitan areas charge points on their home loans as part of the norm. We do not and may offer you a chance to save money.
- I have a unique Total Cost Approach to home loans, which allows me to find the BEST LOAN for you and your family, based on your financial goals.
- My Team's systems are created to give you a valid pre-approval from the beginning! !
- You can close in Kansas City on your new home, or we can arrange for a Title Company closing in your new city.
